

DUE EMME

THE NEW HB/40

Due Emme presents the new frontier in plastic buckles for Life jackets. A side release buckle of high performance, equipped with 2 buttons, to ensure a greater resistance and increase security. Meets the standard ISO 12402 and obtain great breaking strength resistance results, making it the Best in category.

Our whistle has been specially designed to have an easy grip and to be used on belts or on lanyards.

Material selection guarantees non-corrosion and floatation.

Moreover it is dual toned, in order to meet the requirements of ISO 12402-8.
